

**IRONMAN 70.3 Luxembourg Remich – Région Moselle**  
**Sunday, 30th June 2024**

To the residents and neighbors of the  
IRONMAN 70.3 Luxembourg Remich –  
Région Moselle 2024

(Wormeldingen, Ehnen, Ahn & Machtum)

Dear Ladies and Gentlemen  
dear residents,

On Sunday, 30 June 2024, it's that time again: around 2500 triathletes from different nations will face the challenges of the 11th edition of the IRONMAN 70.3 Luxembourg Remich - Région Moselle in order to secure one of the coveted starting places for the 2024 Vinfest IRONMAN 70.3 World Championship in Taupo, New Zealand. The race involves a 1.9 km swim in the Moselle, a 90 km bike ride through the Région Moselle and a 21.1 km half marathon before the athletes can celebrate at the finish line in the car park of the outdoor pool in Remich.

As the organizer we are of course trying to reduce the disturbances for you as residents to an absolute minimum. Nevertheless, it is unavoidable that there will be noise on race day due to the event and **that numerous roads along the course will be closed on this day at the earliest from 6:15 a.m. and at the latest until 7:15 p.m. (if necessary, there may be other, sometimes much shorter, closing times locally, see map for your area on page 2).**

With this notice, we would like to ask for your understanding in advance for the inconvenience that the organisation of a major event may cause to residents.

If you already know the evening before the race that you will have to drive to the other side of the racecourse on race day, please plan accordingly and park your car there the evening before if necessary. On the following page you can see how to get to and from the Wormeldingen area. Please note that residents living along the Route du Vin in the villages of Ehnen, Ahn and Machtum will not be able to enter or leave their houses and flats by car on race day. The same applies to the car parks along the Moselstraße.

In the following information you can also find out which other roads in the area around Wormeldingen are affected by the closure and which alternative routes are recommended. In addition, you can obtain further information from your local public order office, on our homepage, which you can access via the link shown below, or via our interactive map, which you can access via the QR code shown below. Your local administration of the Ponts et Chaussées, or Police Grand-Ducale will also be happy to help you.

If you have any questions during the event week, you can also contact our info phone from Thursday to Saturday, 10:00 - 18:00 and on race day (Sun), 07:00 - 18:00: [+352 691628351](tel:+352691628351).

With kind and sporty regards,

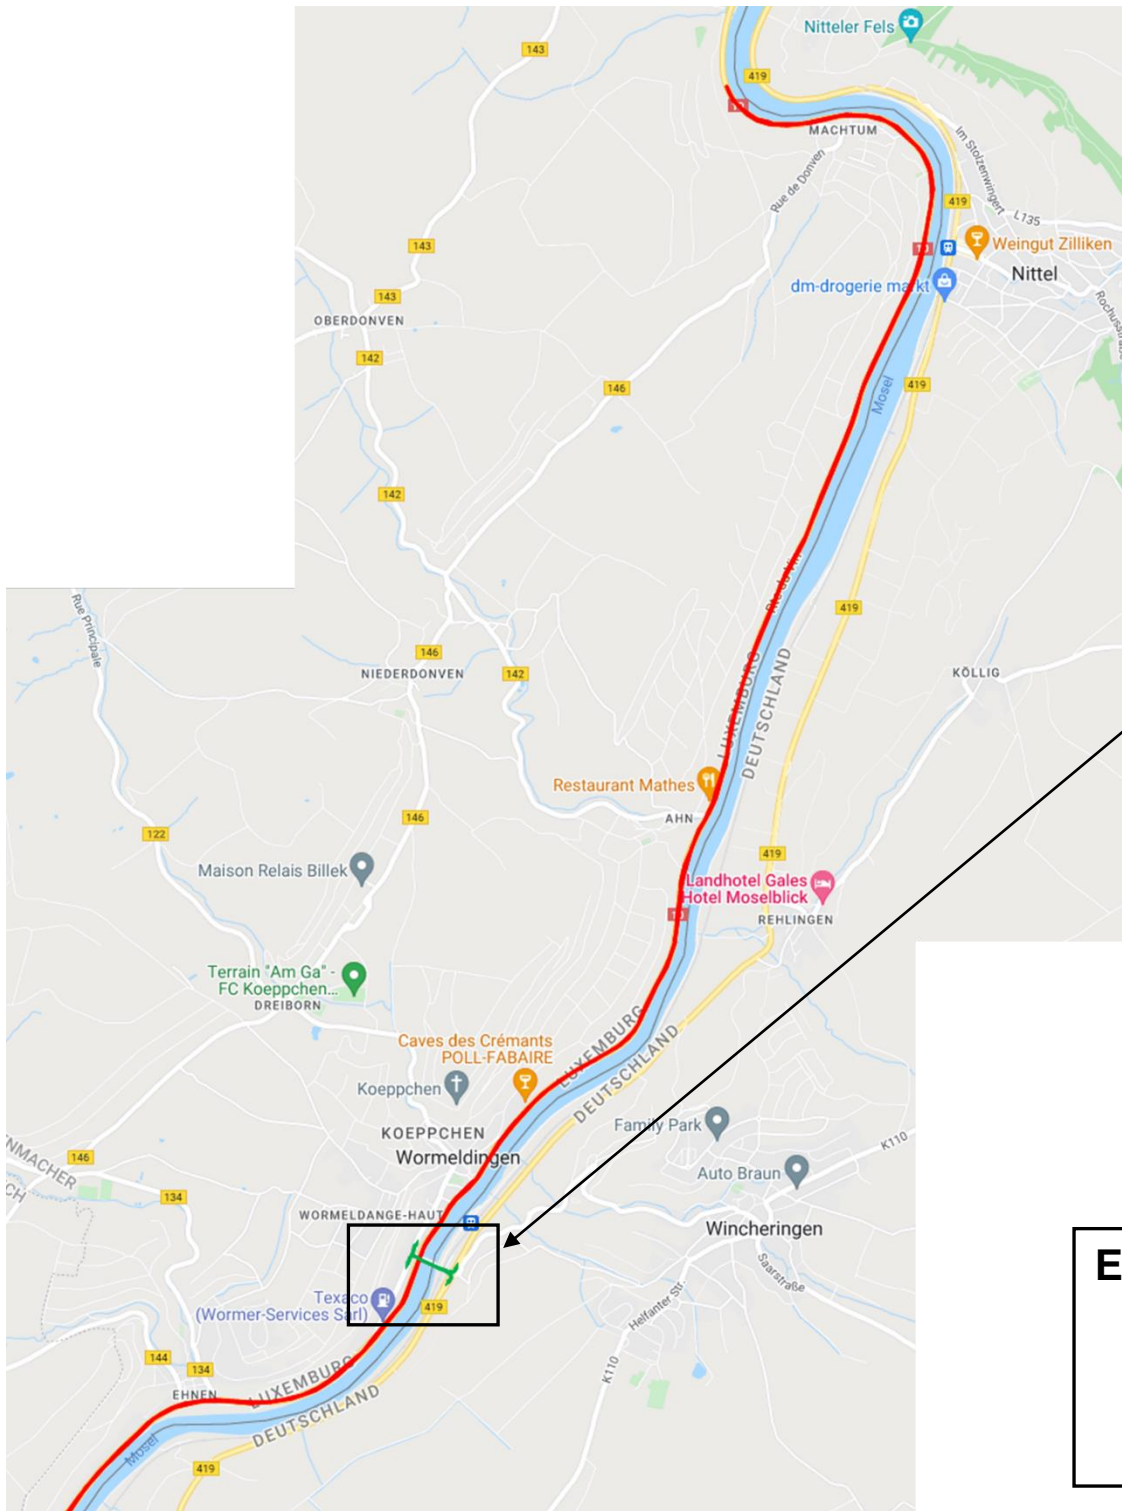

Organizing team of the IRONMAN 70.3 Luxembourg Remich – Région Moselle
